

Q&A about Document Task

1. Q: Where should I submit 'Release Note' and 'What Is' document?

A: Please submit documents to "My Page". At the same time, please edit your "Skype ID".

※You should convert format of your documents to "**PDF**" before submit

The image shows two screenshots of a web application. The top screenshot is the 'My information' page, which has a sidebar menu with 'HOME', 'My information', 'MENU', 'INBOX', 'SENT', and 'COMPOSE MESSAGE'. The main content area has sections for 'Profile', 'Current Add', 'Contact on Vacation', and 'Remarks'. The 'Remarks' section has a 'Skype ID' field. The bottom screenshot is the 'Compose Message' page, which has a sidebar menu with 'HOME', 'My information', 'MENU', 'INBOX', 'SENT', and 'COMPOSE MESSAGE'. The main content area has fields for 'Subject', 'Body', and 'Attachments'. Red boxes and arrows highlight the 'My information' tab, the 'Compose Message' button, the 'Skype ID' field in the Remarks section, and the 'Send' button in the Compose Message form.

1. You can edit your Skype ID from "My information".

2. You should send message to submit your document from "Compose Message"

2. Q: When can I get feedback from engineer?

A: Firstly, all candidates who attend Autumn internship have to submit on Oct. 30, 23:59, Beijing Time.
The whole schedule is as followed. (Adjusted)

Peking 4 :

30. Oct	23:59, Beijing Time	Document submission
1-2. Nov		Get feedback from engineer
4. Nov		Internship starts

3. Q: Can I see again the video, which I saw on the interview with HR?

A: You can find internship introduction video online.
http://v.youku.com/v_show/id_XMTc2MTAyNzc3Mg==.html

4. Q: If I have some questions, how can I contact you?

A: Please send message to us from "My Page".

5. Q: Could you explained more about the Document Task?

A: Please read 'Cover Letter', 'Release Note' and 'What Is' carefully.
Remember, you in charge of the whole process of creating a software, which also includes Needs Analysis for Client.
You can decide what kind of cinema company is your target client E.g. WAP's main users are large companies.

6. Q: Will WAP give us some frameworks or platforms?

A: There is no constraint about frameworks, and also you can use any kind of language to implement your product.
However, Java and C++ are recommended.

7. Q: Will WAP provide lap PC during internship?

A: Normally you should bring your own laptop. If you have request, please let us know.
If you use macintosh, please bring adapter by yourself.
e.g. <http://www.apple.com/cn/shop/product/MC704FE/A/apple-usb-ethernet-adapter>

8. Q: How to book the online Skype review?

A: You can book it on "My Page".

Received Date: 2016/10/17
